### PLAN SUMMARY

From the Unofficial Guide book. This plan takes advantage of early-morning touring. Each day, you should complete the structured part of the plan by about 4 p.m. This leaves plenty of time for live entertainment. If the park is open late (after 8 p.m.), consider returning to your hotel at mid-day for a swim and a nap. Eat an early dinner outside Walt Disney World and return refreshed to enjoy the park's nighttime festivities. Attractions include the new Seven Dwarfs Mine Train, Under the Sea: Journey of the Little Mermaid, and more, plus classics like Space Mountain, and Peter Pan's Flight.
