PLAN SUMMARY

This plan is for groups who wish to visit both Disneyland and Disney California Adventure in one day. Most of the major/must see attractions are included for each park. The plan starts you off in Disneyland with Space Mountain and Matterhorn. Arriving to the park early to rope drop is critical to completing this plan. The plan hops over to DCA after lunch. Warning: The one-day, two-parks plan is intense and requires a lot of walking. On busier days some attractions, especially headliners, may need to be skipped. Warning: The one-day, two-parks plan is intense and requires a lot of walking. Use the Disneyland app to obtain a virtual queue spot for World of Color at 12:00 pm sharp.
